

WASHINGTON DENTAL PLANS

More reasons to smile

With our Individuals and Families Dental Plans, you get the comprehensive benefits you need and the high quality of care you've come to expect from Kaiser Permanente. Key features include the following:

- There is no calendar-year benefit maximum.
- There is no waiting period—you can begin receiving your covered services the moment your coverage takes effect.
- Orthodontia coverage is included.

With three plan designs to choose from, you're sure to find one that meets your and your family's needs.

The Kaiser Permanente difference

We believe total health starts with outstanding dental and oral care. That's why we hire top-notch dentists and hygienists. It's why every member gets a personalized prevention and treatment plan. And it's why we cover the preventive care that many other plans don't.

Choice

For your first appointment, we'll schedule you with a dentist and dental hygienist at the location that works best for you. You may choose to keep that dentist and hygienist as your primary dental care providers. Or, if you prefer, you can request different ones. You can always change your dentist or dental hygienist at any time.

Convenience

We have 17 dental offices in the Portland/Vancouver metro area, Longview, and Salem, so there's sure to be one near your home or work. Our dental group includes pediatric dentists, orthodontists, periodontists, oral surgeons, endodontists, and prosthodontists. With these specialists on our team, referrals are easy.

Quality

Our dental professionals consistently exceed rigorous national standards. For more than 21 years, we've received the highest level of accreditation from the Accreditation Association for Ambulatory Health Care (AAAHC). Currently, we're the only dental practice in the Pacific Northwest with AAAHC accreditation.

How to make appointments

Our dental offices are open Monday through Friday. We also offer Saturday hours for hygienist services and emergencies at most dental offices. To make an appointment, please call our Appointment Center from 6:30 a.m. to 6:30 p.m., Monday through Friday, and 7:30 a.m. to 4 p.m., Saturday.
