

Dental and vision coverage

With our Kaiser Permanente for Individuals and Families dental plans and vision coverage, you can get the benefits you need and the high quality of care you've come to expect. There is no waiting period – you'll be eligible to start receiving covered services the minute your coverage takes effect.

Quality dental care

Combining dental coverage with our medical coverage is a great way to experience Kaiser Permanente's uniquely coordinated approach to care. Save a trip – and often a copay – by taking care of minor medical needs, like flu shots or vaccinations, during your dental appointment.* Plus, your dentist can view your electronic health record to see if you're due for a screening, lab test, or follow-up appointment. Our dental and medical teams work together to help support your total health, giving you another reason to smile.

Choice

Our Oregon and Southwest Washington dental group has more than 160 general and pediatric dentists, orthodontists, periodontists, oral surgeons, endodontists, and prosthodontists, who all work together for your care.

Convenience

We have 21 dental offices in the Portland metro area, southwest Washington, Longview, Salem, and Eugene, so there's sure to be one near you. You can also save time by getting answers or advice for non-urgent dental questions virtually, by phone or email.

Quality

Our dental professionals exceed national standards. Since 1990, we've received accreditation from the Accreditation Association for Ambulatory Health Care (AAAHC). Right now, we're the only dental practice in the Pacific Northwest with AAAHC accreditation.†

How to make appointments

Our dental offices are open Monday through Friday, with Saturday hours for hygienist services and emergencies at most locations. To schedule a visit, call our Appointment Center at **1-800-813-2000 (TTY 711)** from 6:30 a.m. to 6 p.m., Monday through Friday, and 7:30 a.m. to 4 p.m. on Saturday. Members can also speak with an advice nurse 24 hours a day 7-days a week (closed major holidays).

Vision essentials

We offer eye care services to help keep your world in focus. Plus, when you're a Kaiser Foundation Health Plan of the Northwest member, your eye health information becomes part of your overall medical record, giving your care team a complete picture of your health.

Adult vision exams are included in our Gold plans (except Oregon Standard), KP OR Silver 750/35 X, KP OR Silver 750/35, KP OR 3000/40 X, and the KP OR Silver 3000/40 plan. CSR plans for plans listed above have adult vision exams included. All plans include medically necessary eye exams, pediatric vision exams for children 18 and younger, as well as glasses or contact lenses for children, usually at no additional cost.‡ For more information, including our 10 optical locations, visit kp2020.org.

* Medical services are available at select dental locations. You must be a Kaiser Permanente medical member to get medical care.
